penang MONTHLY

WHO WE ARE

Penang Monthly, the voice of Penang.

Penang Monthly endeavours to be the mouthpiece of Penang and an inspiring read for the curious Malaysian. A publication of Penang Institute, it aims to supply Penangites with information about significant issues in order to promote public participation, thus encouraging discussions about the various aspects of Penang's fates and fortunes.

At the same time, we seek to profile Penang personalities who have contributed, sometimes in very unassuming but critical ways, to the reputation and wellbeing of the state, and to put the spotlight on ordinary Penangites who otherwise go unnoticed, but who nevertheless define the culture of the state in essential ways.

As Penang evolves, we would like to highlight its importance as a generator of culture, education, industry and cosmopolitan values – not just in our features, but also in in-depth analyses of the culture economy. We aspire to emphasise present trends in the arts, industry, politics and economics which affect the immediate future of the state and country.

On top of that, we also provide a biannual economic review apart from our monthly socio-economic data section, offering reliable socio-economic data for the benefit of decision makers in government and the private sector.

An all-round read indeed.

THE PUBLISHER

Penang Institute is the public policy think tank of the state government of Penang. As a policy advisory body to the state government, Penang Institute seeks to spur bold thinking in the key areas of economics, socio-politics and sustainable development. Besides working closely with the state government, we collaborate with other international organisations such as the United Nations Development Programme and other non- governmental organisations.

We also engage the public by promoting and highlighting various local, national and regional issues through facilitating conferences, lectures, workshops and public seminars.

DISTRIBUTION

Minimum 3,000 printed copies distributed for free in Penang and select locations in KL and Kuching. Reading copies are also available in hotels, cafes, restaurants, government offices, banks, embassies and consulates.
